# The Royal Sainik Vidyapeeth : A Legacy of Excellence

**Late Sh. Suresh Kumar Shastri**  
**Founder**

The Royal Sainik Vidyapeeth is a distinguished English-medium coeducational institution that provides education from Nursery through Class XII. Affiliated with the Central Board of Secondary Education (CBSE) in New Delhi, the school is celebrated for its exceptional academic standards and consistently outstanding performance in CBSE examinations at both secondary and senior secondary levels. Our boarding facilities accommodate students from across India, promoting a diverse and inclusive environment.

Founded in 1991 as the Sainik Coaching Centre in Hisar by the late Mr. SK Shastri Ji, the institution gained recognition for its superior coaching aimed at preparing students for entrance examinations to Rashtriya Military School and Sainik School. In 2008, Mr. Shastri expanded this initiative into a comprehensive CBSE school, officially establishing The Royal Sainik Vidyapeeth and commencing its first academic session in April 2009 at the current campus.

Currently, our primary focus is on delivering a robust CBSE curriculum that ensures academic excellence from Nursery to Class XII. In addition to our standard educational offerings, we provide specialized coaching for entrance exams to Rashtriya Military School and Sainik School for students in Classes 5 and 8. Furthermore, we offer a foundation program for the National Defence Academy (NDA) starting from Class IX, aimed at preparing students for careers in the Indian Armed Forces. Our commitment lies in delivering a holistic education that fosters strong social awareness, character development, and the realization of each student's potential.

# Principal's Message

**Periodic Test -1, Periodic Test -2, Half-Yearly Examinations, Periodic Test-3, Periodic Test-4, Annual Examination**

After grading answer sheets, we promptly send marks and reports to parents via messaging systems. Parents receive report cards six times a year to keep them informed of their child's academic performance and progress. We maintain high educational standards with expectations that students generally meet with commendable grades.

## PARENT-TEACHER MEETINGS (PTM)

Continuous evaluation of student development is crucial for both parents and teachers. We encourage parents to collaborate with teachers to support their children's growth effectively. Evaluation results are communicated to parents immediately after exam results are published and during Parent-Teacher Meetings (PTMs). All teachers are available for discussions on PTM days, which are announced in advance through messages from the school administration. Additionally, parents can schedule meetings with teachers on regular school days by making prior appointments with the school principal. This collaborative approach ensures that parents and teachers work together for the academic and personal development of students.
